Nel corso dell'anno sono state svolte numerose attività volte a potenziare sia reading sia listening skills, in particolare simulazioni di esame Cambridge IGCSE English as a Second Language. Le interrogazioni orali hanno avuto l'obiettivo di verificare il raggiungimento della competenza linguistica nella produzione orale, e l'applicazione delle strutture via via affrontate, nonché l'utilizzo del vocabolario specifico. Nel secondo quadrimestre il lavoro sulla produzione orale si è orientato sullo sviluppo delle capacità di organizzare e tenere una presentazione in pubblico.
